### The Military and RELOCATE 2 Colorado Springs

**RELOCATE 2 Colorado Spring** has had a special relationship with the military for many years. From supplying a couple of hundred books to Peterson AFB our relationship grew to include the Family Readiness Centers at all the bases in Colorado Springs, the USO @ Denver International and the Canadian contingent of NORAD/Cheyenne Mountain.

Approximately 30% of **RELOCATE 2's** distribution is to military connected organizations. This growth resulted from working with our contacts at the various bases, quick responses to special requests and development of **RELOCATE 2's** content to be particularly helpful to military personnel choosing to live off post.

The online version of **RELOCATE 2** was used by the Warrior Family Community Partnership at Fort Carson prior to its termination. KPG provides special PDF files to the readiness centers that help incoming personnel connect with the online book. **RELOCATE 2** has also been available at mandatory orientation meetings held at Schriever, Peterson and Ft. Carson.
